

湖南衛星電視臺採訪俄州大中文旗艦工程

俄州大的中文旗艦工程碩士班的學生,在“漢語橋”的比賽中屢屢奪冠,引起了國內外的廣泛注意。為什麼俄州大的漢語教學如此成功?湖南衛視於四月九日、十日兩天訪問了俄州大,採訪了俄州大的領導,老師及學生,找到了答案,訪問取得圓滿成功。

漢語橋今年是第七屆了。享有盛名的湖南衛視今年與國家漢辦、湖南省教育廳合作主辦漢語橋比賽,派出以台長助理張勇主任帶隊,肖亞暉,黃穎潔,閻帆,關仲,鄭賓組成年輕而精幹的攝製小組,先來紐約採訪紐約地區漢語橋預賽。然後在王穎領事與留學服務中心的陳亮主任陪同下,九日清晨專程赴俄州大採訪。趙免貞老師、李敏儒老師、裴贊同學(Patrick McAloon)到機場迎接。

還沒喘過氣來,攝製組就來到了石達思(Chris Stellato)同學打工的咖啡店,進行了現場採訪。石達思沏了茶,給趙老師、李老師端上,然後應導演要求,在西式咖啡店里亮出他京腔京調的“吆喝”,成為該咖啡店歷史上難得的一幕。據趙老師介紹,石達思非常聰明,學習又特別刻苦認真,連春假都不休息。特別是排練“數來寶”時,沒有道具,石達思和趙老師一起,去買牛肩胛骨,把肉剔掉,自己動手做出來的。老師

指導有方,學生學得刻苦,給湖南電視台留下了深刻的印象。

中午俄州大主管外事的副教務長 Dieter Wanner 教授設宴招待了湖南來的貴賓。旗艦工程主任吳偉克教授(Galal Walker)用中文致歡迎詞。他指出,漢語橋,在東方和西方搭起了一座理解之橋,友誼之橋。我們在這裡教中文,傳播中國文化,也是在搭橋,搭建一座世界和平之橋。下午,電視台採訪了課堂,第一堂是討論課,題目是“我與中國傳統文化”,祁永華老師,謝振芬老師與同學們討論得很熱烈。學生剛上完李老師講的《論語》與《老子》,能夠聯繫實際,適當地引用成語,展示了學生的文化底蘊。吳老師和野田真理老師的關於教學法的研究生課,讓人大開眼界。“體驗文化”教學

法強調知行合一,指引學生轉換視角,站在中國人的立場上來理解中國人的觀點和感情。隨後,吳老師,王建琦老師,趙老師及劉軍老師從理論和實踐上介紹了旗艦工程,更深入地揭示了其理論基礎。接着,Gorden Gee 校長接受了電視台的採訪,表示對中文教育的大力支持。會後,他會見了獲獎的學生及教練,並贈花給教練趙老師。為了進一步瞭解旗艦工程,電視台又對吳老師,王老師,趙老師等進行了採訪。瞭解到這些老師在幕後做的大量工作。

第二天,俄州大教務長 Alutto 教授會見了電視台攝製組並接受了採訪。在採訪期間,俄州副州長 Lee Fisher 還專門打來電話,歡迎電視台的來訪並對俄州大師生取得的可喜

成績表示祝賀。電視台攝製組也見到了人文學院的院長 John Roberts 教授並採訪了他。在晚上,他們又放棄自己的休息時間,到學生練習武術的地方,工作的地方進行了採訪。採訪的行程排得非常滿,他們充分認識到,取得漢語橋的三連冠不是偶然的。有校方的大力支持,有吳老師“體驗文化教學法”作為指導,有多才多藝善於輔導的教練趙老師,有刻苦學習,虛心好學的優秀學生,有一支素質高工作勤奮的教職工團隊,這是為什麼俄州大在歷屆漢語橋比賽中取得優異成績的基本原因。

短短一天的採訪,湖南電視台攝製組的敬業的精神,勤奮、高效的工作作風,也給俄州大的師生留下了深刻的印象。這也是為什麼湖南電視台能一枝獨秀,引領風騷的原因之一吧。(NEALRC 供稿)

小資料:

裴贊(Pat McAloon):2004 漢語橋世界冠軍
安迅(Abbey Southerland):2006 漢語橋世界冠軍
喬哲輝(Josh Lotz):2007 漢語橋世界冠軍
今年紐約地區:
李慕白(Donald Neman):第一名+特別表演獎
石奎思(Chris Stellato):第二名
魯克(LucasGeller):第三名

Let the Games Go On Let the Spirits Shine

Hi My dear friends,

You may have noticed China is being mentioned a lot currently in variety of media forms, most are associated with protestors, riots, Tibet, China, Dalai Lama, Olympics torch relay and more. Let me remind you, my dear friends that there's far more to what the US and European media is broadcasting on the screens and newspapers, as we know that ALL pictures and articles are all filtered and edited by human hands and minds, often times what the minds are thinking or like to believe have a critical power over how the pictures and articles are used to reflect. I sincerely ask you to please keep an open mind to the current happenings and the world's response to ALL sides, letting more perspectives and puzzle pieces into your mind and allow judgment to

form in a not hasty manner, so you will see fuller pictures that reflect the bigger pictures as well as the on-the-spot moments. From our career and life experiences we know that we all live in a world that far more times things are not just what they seem in the surface, if we use detective skills and keep digging into the real truth, we keep learning more about the happenings, and that things could be far more complicated or misled as in forming and varied stages in progression.

I think the protestors should have the right to peacefully demonstrate in a non-violent manner to ALL folks in the area, I think any country and government should have its right maintaining certain order in an area in human and democratic manner. Please bear in mind that "democracy" is a cultural thing and regardless of many forms and faces it takes, we need to

lock in our focus in what it benefits local, regional and global community, allowing regions, countries and government reasonable time to evolve. I do encourage groups and organizations to actively uncover channels tactfully for positive interaction and peaceful resolution with the authorities while I do not think it's a wise move for any organization or groups to achieve political agenda or attract attention by acts that disrupt an international event and being violent. According to China's spokesperson, the police in

Tibet received strict orders to not to use weapons nor fight back in any form to protestors in Tibet. In the series of protests in Tibet, the most injured are armless innocent civilians and tourists. A lot of pictures and European and US TV showings of police beating up protestors are NOT Chinese police - identified by information in the

pictures such as the uniforms the police wear, the characters and marking in the pictures, etc.

I pray for peace for ALL people in Tibet. I pray for better protection and upkeep of Tibetan culture as it's going onto the future and higher life standard for ALL people in Tibet. I pray for peaceful resolution /conversation between China and Dalai Lama soon to start and lead to meaningful progress. I pray that Chinese government will show more genuine compassion to the interests of people. I pray for a wonderful international athletic and cultural gathering experience for the 2008 Olympics that truly reflects Olympic spirits for ALL people and countries in the global village.

The Olympic Games belongs to the world and ALL its folks, it's an international event.

Please let the Olympics spirit shine, let the games go on.

Peace and Love to ALL,
Lin Pang(龐琳)

歡迎您參加免費中文夏令營

CHINESE IMMERSION SUMMER DAY CAMPS

June 16 through 27, 2008 In Cleveland, Columbus, and Dayton areas

政府提供資金 二周免費中文夏令學習 要求:六年級到十二年級母語不是中文的學生 時間:6月16日-27日 名額有限 機會難得

The Ohio State University K-12 Chinese Flagship Program is awarded the StarTalk grant to coordinate two-week Chinese Immersion Summer Day Camps for middle-high school students from June 16 through 27 in three metro areas of Ohio: Cleveland, Columbus, and Dayton.

Eligibility: Sixth to twelfth graders with basic Chinese language background, but the student's first language is not Chinese.

Time and Place: June 16-27 (M-F, 9:00am-5:00pm) at three sites (Beachwood Middle School in Cleveland area, Beavercreek High

School in Dayton area, and Metro High School in Columbus).

Recruitment: Students are being recruited through schools in the three metro areas. If you meet the eligibility and need an application form, please contact us by email at StarTalkChinese@osu.edu or phone at 614-292-0577. We will recruit a total of 70 students at three sites and applications are accepted until all vacancies are filled.

Benefits: Two weeks of learning Chinese at no cost, including lunch; immersion experience with dozens of teachers and peer mentors;

and a graduation certificate from the OSU K-12 Chinese Flagship Program.

The OSU K-12 Chinese Flagship Program works with partners in Ohio and beyond to develop performance-based curricula, provide teacher support and professional development, and create a technology support system. For more information, please visit <http://k12chinese-flagship.osu.edu>. If you have questions about this program, please contact us at: StarTalkChinese@osu.edu.

For current teachers licensed to teach Chinese at K-12 Schools in Ohio: If you are interested in the StarTalk teacher professional development with an OSU pedagogy specialist, please contact us at StarTalkChinese@osu.edu.
