

Blue Pipa

Dedicated to Min Xiao-Fen
October 2, 2008

A celestial butterfly
Escorted by six dragons
Flanked by two hummingbirds
Dazzled through Eden

Their wings a sonic celebration
Vibrating soft and gentle, strong and powerful
Lyrical and martial, ying and yang
Audible and inaudible

Penetrating the invisible
Awaking the dragon inside
Wings grew on visceral spine
Like little sproutlings piercing towards the light

Manifesting fantasy into every moment
Sprinkling the sparks of creativity
Pulsating with lively spirit
Dancing and gliding through time and space
Ganzeon dived into her debut
Shined under Xiao-Fen's illumination
Lifted so gently and lovingly by Blue Pipa
Memory evaporated and experience lingered

Still soaring
Blown away
Intoxicated
Burned by passion....!
