

Pace Car created by Vulkane Industrial Arts

soapbox derby car. The registration deadline for the derby is June 20th.

As part of the derby, Mayor Mallory is sponsoring the third annual Mayor's Cup competition between Cincinnati's neighborhoods. To be eligible for the Mayor's Cup, competitors must attend a pre-race clinic.

The Cincinnati Soapbox Derby is on the weekend of June 26 and 27 for youth ages 8 to 17. If interested in participating or sponsoring a car, contact Derby Race Director Doug Newberry at 513-885-1373 or visit www.cincysbd.com.

Cincinnati - Mayor Mallory and Vulkane Industrial Arts unveiled the Pace Car for the 2009 Cincinnati Soapbox Derby. Vulkane has specially constructed the metal Pace Car at the Mayor's request. This is the first ever specialty Soapbox Derby Pace Car.

There are two more pre-derby clinics. The first will be this Sunday June 7th at 4:00 pm at the Lunken Airport Playfield at the corner of Beachmont and Widmer. The second will be Thursday, June 18th at 7:15 pm at the Clifton Recreation Center, 320 McAlpine Avenue.

Potential racers should attend even if they have not yet registered or not yet purchased a

Who We Are:

Vulkane is a custom metal fabrication shop located in downtown Cincinnati, Ohio. Our client base includes local, national as well as international clients, with a range of projects from small residential work to high profile public and commercial work. Vulkane's mission is to provide our clients added value through value engineering, on budget and on time delivery.

Our Work:

Many of our projects can be seen in detail on our website: www.vulkane.com Vulkane has worked with some of the leading design firms in Cincinnati including the team of Cincinnati's City Architects, FRCH Worldwide, BHDP among others. Our work has earned awards on both local and national fronts and also includes a winning entrant for the City Architects of Cincinnati in last year's Soap Box Derby.

Recent Notable Projects:

* Roxy Paine, renowned artist. Fabrication of

large format public sculpture. Installations include the Metropolitan Museum of Art, NYC, The National Gallery, Washington D.C. among others.

* Under Armour, working with FRCH Worldwide, Vulkane participated in the design and completed the fabrication of the store fixtures for the national launch of the Under Armour branded retail stores.

* Columbia Sussex Hotel Properties. Design and fabrication of a 32' diameter stainless steel dome which stands as the feature design element at the entrance of the recently constructed Dawn Beach Resort and Spa, St. Maarten, Caribbean

Vulkane and Cincinnati:

As a longtime and long term small business in downtown Cincinnati, Vulkane has a vested interest in the ongoing development and improvement of the city. Vulkane would like to contribute in this effort in any way that it can.
