

Ted Lieu Standing Up to Powerful Interests

克城詩人劉天擎之子,加州參議員劉雲平先生致本報的一封信

Dear Eric Chinese, I want to thank you for your generous support. Together, we have raised

1.4 million dollars since last year and have more than \$725,000 on hand for our campaign for Attorney General! It's a tremendous show of support in these difficult times, and I'm humbled that so many supporters like you are standing together with me to stand up against powerful interests.

It means even more because our state is

facing historic challenges. Our grassroots movement continues to grow, and every day more and more Californians are supporting our fight to reform the system that led to this economic crisis, and to crack down on crime and economic fraud.

We've got a long race ahead of us, but I'm looking forward to it because of supporters like you.

Thanks again for everything you've done so far.

Fisher Applauds Decision To Reconsider Loan Guarantee For Piketon Enrichment Facility

Lt. Governor Lee Fisher made the following statement today on the Department of Energy's decision to extend the final review of USEC's application to build a new uranium enrichment facility at the American Centrifuge Plant in Piketon:

"I'm pleased that the Department of Energy has reconsidered its decision on the loan guarantee for a new enrichment facility at Piketon. USEC and the Department of Energy must work together to clear the remaining hurdles and restart this effort as quickly as possible--thousands of Ohio jobs depend on it. I will do whatever I can to keep this process on track and help this critical economic development project move forward."

Is Gambling Good or Evil?

I am Gina Smith. Let me introduce myself to you first. I am a spiritual teacher & spiritual healer & inspirational speaker. I am not a spiritual teacher you meet in the churches or temples or university...

I am beyond all of them. I practice what I teach. My thoughts, my words and my actions are accord with each other. I pray without ceasing. I am writing this letter to you because I love Ohio and people in Ohio.

Now, we are confronting with legalizing gambling in Ohio. Let me tell you what gambling money does to people. I was born into a richest man in small town in Korea. But my father gambled and lost all his assets; we became broke when I was 7 years old. We became unthinkably poor. My father never gambled again but it was too late. My 2 older brothers quit school and left home when they were teens (My parents couldn't pay their tuitions on time.). Many days we didn't even have food to eat or home to live in. Later, my family lived in a poor village. I saw many men hooked on gambling they were totally crazy. They will bet on anything they have, home, furniture, clothes... of course all the money they have and borrow wherever they could. I experienced to see what gambling would do to mankind, they don't stop until everything is gone and ruin their family lives. Now let me explain why it is so (* Powerball winner says he's cursed...lost friends, family... *8 lottery winners who lost their millions... having piles of cash only compounds problems...foolishness, hit men, greedy relatives and dreams dashed.). Every physical thing you see is just part of spiritual manifestation. People play gambling to get out of their family problems, divorce from their spouses, buy big house and cars, go luxurious vaca-

tions, quit their jobs, some wants to help poor... there are some good intentions too. When people win the gambling money, they won the all the ideas behind them which is most of their ideas are selfish, greedy and evil. There are only a few people in this world that can control over that kind of money, you are not the one of them. Even though everyone says "I am different, I will do this, and I will do that..." They are all wrong. Their mind is not pure enough to control over evil minds behind it. Therefore I advise you never let gambling to be legalized in Ohio. Let them play at other States or country. Let them experience inconvenience, which will prevent them from ruining their lives and their family lives. God bless you and God bless Ohio. My prayers are with you.

---And in this I give advice: It is to your advantage not only to be doing what you began and were desiring to do. ---2 Cor. 8:10

---The way of fool is right in his own eyes, but he who heeds counsel is wise. ---Proverb 12:15

With Love,

Gina
