Dear Anne Pu.

We would like to thank you for all your help in making this year's 70^{th} Reunion of the American Volunteer Group a successful one

Four of our eight remaining veterans were able to attend. They and their families were extremely delighted with what Cleveland had to offer.

One of our highlights was our traditional Chinese dinner, held this year at Bo Loong. Anthony and his staff went out of their way to make the evening special. The surprise of the evening, however, was the entertainment which you had arranged for us. The dancer with the changing mask was fantastic and completely unexpected. The evening was still being talked about as people were leaving for their hometowns.

Anne, thanks again for everything that you and the Erie Chinese Journal have done for

Thank you again, Mike & Maxi Mike and Nancy
