

感受中華文化 學習傳統舞龍 克城開班招生

Dragons are of course legendary animals, but they are important to Chinese people who think of dragons as helpful, friendly creatures. They are linked to good luck, long life and wisdom. They are nothing like the fierce, fire-breathing Western dragons that carry off princesses and eat people. Chinese Dragons are associated with storm clouds and life-giving rain. They have special powers so they can fly in the air, swim in the sea and walk on land. The Dragon has features of other animals such as the horns of a stag, the scales of a fish and the foot-pads of a tiger.

Learn how to do the Chinese Dragon Dance, the Dragon Flag, the Dragon Drums, & The Dragon Pearl Ball techniques plus basic martial arts warm ups! Advanced students will also learn acrobatic exercises. Classes are held @ Asian Town Center, 3820 Superior Avenue, 2nd floor. Senior members will be part of the Performance team that is invited to perform throughout NE Ohio. Performances include the Cleveland Asian Festival, and the Cleve-

land Museum of Natural History - Silk Road VIP Reception, and many others. Open to everyone (Children or Adult) that can run and able to carry the Dragon.
