"Women care about health care, we care about education, we care about our military, we care about our economy and yes, we do care about the unborn. With this group of women, if we have the bold conversations, tout the results of this administration, ignore the negativity of the media and share the truth about what is happening in our country, we will show the true power of

are winning under President Trump's leadership. Below are just a few examples of how President Trump's policies are empowering women nationwide:
- Last month, women's unemployment fell to 3.6 percent, the lowest since 1969.
- Minority women's business ownership has grown by over 160 percent since 2007.
- During the President's first year in office, the number of American women in poverty fell by nearly 600,000.

- The Tax Cuts and Jobs Act doubled the child tax credit to make child care more affordable.
- This President was the first to have a national paid family leave program in his budget proposal.
- His administration has provided over \$200 million per year for technology education grants for women and minorities in STEM.

Chairwoman McDaniel: Many Things Coming From The Four Freshman Congresswomen Are Offensive And Anti-American

RNC Chairwoman: Many Things Coming From The Four Freshman Congresswomen Are Offensive And Anti-American

SANDRA SMITH: I am sure you are watching this back and forth, and you're in the middle of it. Do you wish this hadn't happened, or is this a strategy that is working for the president?

RNC CHAIRWOMAN RONNA MCDANIEL: I think any time the president can call out members of Congress who are saying

"abolish I.C.E.," comparing our men and women who serve on the border to Nazis, who are equating America with Al Qaeda, so many of the things that have come out of the mouths of these four freshman congresswomen is offensive and anti-American, and the president is saying—"listen, I love our country. We should all love our country. Let's work together to make lives better for Americans", and the president is going to do that every single day. He's going to North Carolina where he gets to say,

since I have been president, we have added 175,000 jobs in North Carolina, 6,200 a month, wages are up, jobs are coming back to this country, unemployment is lowest level for Hispanics and African Americans communities. The president is delivering. They are going to continue to double down on divisive rhetoric, and he is going to talk about how we are making America great again.

RNC Chairwoman: We Are Talking To Women About The Results Of This Administration

STUART VARNEY: If you want to win conclusively in 2020, you've got to get more women to vote for Mr. Trump. What's the main thrust of Women for Trump's campaign?

RNC CHAIRWOMAN RONNA MCDANIEL: By launching Women for Trump yesterday in Pennsylvania, we are launching a grassroots effort to talk to women directly about what the president has done for women and we were able to tout that of the six million new jobs that have been created under President Trump, 3.1 million have gone to women, 600,000 women have come out of poverty under President Trump with the Tax Cuts and Jobs Act, we doubled the child tax credit. We are taking substantive policy, things that have come out of this white house that have made the lives of women better across this country, and we are going to unleash that to battleground states to directly talk to women and share with them the results of this administration.

VARNEY: Do you raise the issue of abortion? If it's Women for Trump and it's a campaign, is abortion mentioned?

CHAIRWOMAN MCDANIEL: Well, we do. We say, you know, the Democrat Party puts women in a corner as single issue voters. If you don't agree with us on this issue you're not welcome in our Party. What we talk about is, we view women because we are over half the electorate, as the whole voter. Women care about health care, we care about education, we care about national security, we care about the economy. I'm sick of being put in a corner and saying we only care about one issue. While we are the party that does celebrate life and care for the unborn, we are going to treat women as the whole voter, which we are, and we vote on every single issue.

輿論聲討 特朗普“種族主義”，共和黨選民卻更支持他了

美國總統特朗普日前因對民主黨少數族裔女議員發表不當言論而招致各方批評，然而一項最新的民調顯示，經此事件之後，特朗普在共和黨選民中的支持率不降反升。

上週日（7月14日）特朗普在社交媒體推特發佈多條推文，聲稱四名民主黨籍議員如果不喜歡美國，就應該回到她們“完全破敗、犯罪猖獗”的來源國。

特朗普沒有點出四名議員的姓名，但依照媒體報道，四人分別是紐約州聯邦眾議員亞歷山德里亞·奧卡西奧-科爾特斯、明尼蘇達州聯邦眾議員伊爾漢·奧馬爾、馬薩諸塞州聯邦眾議員阿亞娜·普雷斯利和密歇根州聯邦眾議員拉茜達·塔利布。

四人全部是處於第一屆任期的少數族裔女議員，對特朗普政府政策多持批評態度。她們中三人在美國出生，另一人 1992 年以索馬里難民身份進入美國。

特朗普的不當言論受到民主黨人和共和黨人的集體聲討，引發外界關注。地時間 16 日晚，美國眾議院當投票通過決議，譴責特朗普的“種族主義”言論。

不過與美國輿論場上的集體聲

40%的無黨派人士表示支持特朗普，但在特朗普嘲諷女議員之後，這一數字下降到了 30%。其在民主黨人中的淨支持率則下降了 2 個百分點。

儘管如此，特朗普的總體支持率在過去一周實際上並沒有什麼大變化。根據這項民調，41%的美國公眾表示，他們對其表現滿意，51%表示不滿意。

路透社指出，這一調查結果顯示，儘管民主黨控制的眾議院通過了對特朗普的譴責決議，但是共和黨內對特朗普的支持依然強大。

這並不是特朗普第一次針對美國國內的少數族群。在他還沒有成為總統之前，特朗普就曾經對前任奧巴馬作出虛假指控，指奧巴馬並非出生在美國。

在總統選戰初期，特朗普又將美國境內的眾多墨西哥移民形容為“強姦犯”。

2018 年，特朗普曾質疑，美國為太多移民提供避難，又指薩爾瓦多、海地和非洲各國是“糞坑國家”。

這項調查由路透和市場調研機構益普索 (Ipsos) 共同進行，調查以英語在網上進行，共收回 1113 份樣本，包括 478 名民主黨人和 406 名共和黨人。

討相比，民調卻揭示出一種令人尷尬的現實。這項於本周一和周二進行的全國性調查顯示，在特朗普發表上述言論之後，其在共和黨人中的淨支持率（滿意度與不滿意的差值）較上一周上升了 5 個百分點，達到 72%。

不過，特朗普的不當言論使其在民主黨人和無黨派人士中的支持率明顯下降。調查顯示，一周前大約

前南卡州長桑福德考慮與川普爭黨內提名

（法新社華盛頓 16 日電）川普在參加 2020 年美國總統大選前，得先爭取共和黨提名，今天前南卡羅來納州州長桑福德 (Mark Sanford) 跳出來表示，考慮挑戰川普。

桑福德表示，他將在接下來的 30 天內決定，是否挑戰川普。在去年國會期中選舉的共和黨初選中，川普支持桑福德的極右派對手，最後他的對手在初選中出局。

桑福德 2009 年傳出偷腥醜聞，當時他聲稱他在「阿帕拉契山逕 (Appalachian Trails) 健行」，但其實他是在私會他的阿根廷情

婦，因此遭到全國耻笑。

但他表示，他打算在政壇捲土重來，因為他擔心沒有其他人能解決潛在的經濟崩盤危機。

他指控民主黨 2020 年總統參選人和總統，逃避不斷膨脹的國家債務議題，並指美國正走向「財務風暴」。

桑福德說：「3 年內我們花在利息上的錢，比用在國防預算上還多」。

桑福德 1990 年代曾在國會服務，之後擔任兩任州長直到 2011 年，後來重新參選，2013 年進入聯邦眾議院直到去年為止，因為他在爭取黨內提名時敗給川普支持的對手，而後者之後遭民主黨對手擊敗。

南卡羅來納州共和黨黨主席麥基斯 (Drew McKissick) 告訴「信使郵報」(Post and Courier)，桑福德上一次提出這麼愚蠢的想法時，害他丟了州長職位。這次的程度大概跟到阿帕拉契山逕爬山差不多。
