

Governor DeWine, Mayor Ginther Send Letter to Arnold Sports and Fitness Expo Organizers

(COLUMBUS, Ohio)—Ohio Governor Mike DeWine and Mayor Andrew Ginther today sent the following letter regarding the Arnold Sports and Fitness Expo:

Dear Governor Schwarzenegger and Mr. Lorimer,

On Tuesday, we all understood what the agreement was between the Arnold Sports Festival, the city of Columbus, and the state of Ohio about how the competition would proceed. Athletes would continue to compete. Parents would be able to watch their children compete. Trainers, coaches, and officials running the competition would play their part. Spectators would be able to attend certain single ticketed events, such as the Arnold Classic, Arnold Men's Physique, Bikini International & Arnold Strongman Classic Finals, and Classic Physique, Fitness International, Figure International & Women's Physique Finals (four events each Friday and Saturday nights). No spectators would be able to attend other associated events due to the risk of community spread of COVID-19. It made sense that the decision about a health and wellness festival was made with the health and wellness of its fans in mind.

We met with your staff today to consider your revised request to consider allowing spectators in absence of the Expo, and to consider addi-

tional information provided by your staff. After consideration of this information, we remain gravely concerned that the event still poses a unique and unacceptable risk for the spread of COVID-19 for guests and the community. These concerns include the attendance of individuals from more than 80 countries and from other parts of the United States, including states affected by COVID-19. We are also concerned that almost all the other competitions at the festival are not single ticket events and are rather general admission, which allows for spectators to attend dozens of events and travel freely from facility to facility. These facts make this unique event significantly different than any other event we know of in this state.

We stand united in our expectation that this event and its organizers abide by the original agreement reached Tuesday. In the event that organizers fail to comply with our agreement, we stand ready to take appropriate action under Ohio law to protect the health and safety of the residents of the State of Ohio and our guests.

Very sincerely yours,
Mike DeWine Ohio Governor
Andrew Ginther Columbus Mayor

共和黨主席就“超級星期二”發表聲明

3月3日,華盛頓特區-共和黨全國委員會主席羅娜·麥克丹尼爾(Ronna McDaniel)就總統預選“超級星期二”初步結果發表聲明如下:

“極左翼社會主義候選人加劇了民主黨選民的撕裂和政治極化,而共和黨人更加團結在特朗普總統身邊。就在超級星期二當晚,我黨在數個搖擺州的投票人數連創歷史新高。特朗普總統的執政亮點鼓舞著共和黨人擴大成果;我們將規模空前的大數據驅動競選運動擴展到了23個州,我們走進日

益壯大的支持者中。沒有任何一個民主黨總統候選人可能在11月挑戰特朗普總統。”

Trump Administration Takes Action on Healthcare

“For many Americans, collecting and navigating their own health care records is a frustrating, time-consuming burden that leads to lower quality and higher costs. Until now,” write Senior Advisor Jared Kushner, CMS Administrator Seema Verma, and National Coordinator for Health Information Technology Dr. Don Rucker in USA Today.

“The Trump administration is now taking action to ensure that every American has secure access to their own health records.”

“While the coronavirus continues to pose a threat to the nation, it certainly didn't put a damper on America's strong and growing economy in February . . . The country gained an astounding 273,000 new jobs last month, matching January's total and demolishing economists' expectations again,” former business executive Andy Puzder writes for Fox News.

“President Donald Trump encountered a flattened landscape of shredded homes, snapped trees and broken families when he arrived Friday

on the Cumberland Plateau. Trump came to survey the fallout from deadly tornadoes that tore through Tennessee this week, leaving 25 dead. Before he left, he pledged to support the survivors, many of whom had lost homes, belongings and loved ones,” the Nashville Tennessean reports.

Fox News' town hall with President Trump last week was the most-watched event of its kind in history, according to Nielsen media research. “The event co-moderated by Bret Baier and Martha MacCallum averaged 4.2 million viewers from 6:30-7:30 p.m. ET. The record-setting town hall dominated cable news, topping MSNBC's 1.4 million viewers and CNN's 1 million viewers combined,” Brian Flood reports for Fox News.
