

### COVID-19 Update: Nursing Homes and Assisted Living Facilities Testing Update, Ohio Veterans Hall of Fame Inductees Announced, and Ohio To Work Initiative Begins

(COLUMBUS, Ohio)—Ohio Governor Mike DeWine today gave the following updates on Ohio's response to the COVID-19 pandemic. **TESTING IN NURSING HOMES AND ASSISTED LIVING FACILITIES**

Governor DeWine and Director Ursel McElroy of the Ohio Department of Aging provided an update on testing in nursing facilities, assisted living facilities, adult day centers, and adult day cares. Director McElroy explained that frequent testing in congregate settings is important to control the spread of the virus.

She also mentioned that adult day care and senior centers will open on September 21st. The facilities will test staff every other week and participants if they present symptoms. Outdoor visitation started at Ohio nursing homes on July 20th. If visitors have questions about protocols or concerns about a facility in their area, they can contact the Ohio Department of Aging. The Department of Aging is working on a dashboard to increase transparency about the status of visitation at facilities across the state.

#### OHIO VETERANS HALL OF FAME

Governor DeWine announced that 20 women and men, representing four branches of the military will be inducted into the Ohio Veterans Hall of Fame at a virtual ceremony on November 5th. These Ohioans, from 16 counties, have continued to serve the United States as well as Ohio, as business owners, community volunteers, scientists, advocates, engineers, and much more.

The Ohio Veterans Hall of Fame was established by Governor George Voinovich in 1992. Governor Voinovich established the Hall of Fame to recognize Ohio veterans' military service, as well as their service to Ohio and their communities after leaving the military. A total of 895 of Ohio's Veterans have been inducted into the Hall of Fame.

#### OHIO TO WORK

Governor DeWine, along with JP Nauseef, president and CEO of JobsOhio, announced that JobsOhio and the Ohio Department of Job and Family Services, the Governor's Office of Workforce Transformation and the Ohio Development Services Agency will launch a pilot initiative called Ohio To Work. The Initiative will help connect Ohioans looking for a job to a new job opportunity. Ohio To Work brings together employers, nonprofits, educators, and training providers to help Ohioans reskill and restart their careers. Individuals participating in Ohio To Work will be provided a career coach, be invited to virtual career fairs, and be connected to employers ready to hire. The first Ohio To Work initiative will be launched in Cleveland- Cuyahoga County. Ohioans can learn more at OhioToWork.com.

## Governor DeWine Signs Bills Into Law

(CEDARVILLE, Ohio)—Today, Ohio Governor Mike DeWine signed the following bills into law. Each bill will take effect in 90 days.

House Bill 203, sponsored by Representative Scott Lipps, which specifies requirements for mobile dental facility operations.

House Bill 272, sponsored by Representatives Scott Oelslager and Brett Hudson Hillyer, which expands court jurisdiction to any constitutional basis.

House Bill 341, sponsored by Representative Timothy Ginter, which details the administration of addiction treatment drugs.

WASHINGTON - Today, Representatives Marcia Fudge (OH-11) and Marcy Kaptur (OH-9) released the following statement announcing Cleveland State University's federal grant of \$599,998 awarded by the Economic Development Administration's Build to Scale Program. These funds will be used to establish the Entrepreneurial Manufacturer Digitization Support (EMDiS) Center to assist small manufacturers with considering, acquiring, and implementing cost-effective digital manufacturing technologies. These new state-of-the-art digital manufacturing tools will allow small manufacturers to be competitive with foreign markets, assist with meeting supplier quality compliance and lead to the creation and retention of 100 regional jobs.

digital manufacturing Center of Excellence in my district," said Rep. Fudge. "The ability of Cleveland State University to provide digital services to small manufacturers is invaluable as they attempt to compete with larger companies. As many of our small businesses struggle to recover from the effects of the current pandemic, the EDA's award will help spur economic recovery and growth in our region."

"I am thrilled to announce close to \$600k for Cleveland State University to boost Northern Ohio innovation," said Rep. Kaptur. "During these challenging circumstances compounded by ever widening inequality, these funds will help ensure our region stays on the cutting edge of job creation and technological innovation going forward."
