

# 克利夫蘭 Frank G. Jackson 市長的新年問候

Dear Clevelanders,

Happy New Year! The past year has introduced new challenges and has forced us to adapt to new realities. As we celebrate the new year, I want to remind you all that the pandemic is not over. While there is news regarding the COVID-19 vaccine, we must remain cautious and continue to do our part to slow the spread of the coronavirus.

This week, I hosted a virtual tele town hall event during which I and members of the Cleveland Department of Public Health discussed the pandemic, the coronavirus vaccine and prevention efforts and answered questions from residents. To listen to audio of the event, click here. Last week, the City of Cleveland administered the first vaccines to first responders as part of the Phase 1A rollout. To view video of the first vaccinations, click here.

I ask that you continue to avoid large gatherings for the health and safety of your family and friends. Remember to wear a mask, wash your hands frequently,

maintain six feet of social distancing and stay home whenever possible. Together, we can slow the spread of COVID-19 in 2021.

Thank you and stay safe,

Frank G. Jackson, Mayor  
City of Cleveland

CITY OF CLEVELAND  
Mayor Frank G. Jackson
