

Ohio's Mass Vaccination Clinic at Wolstein Center to Offer Pfizer Vaccine During Clinic's Final Week

(COLUMBUS, Ohio)— Ohio Governor Mike DeWine announced today that Ohio's Mass Vaccination Clinic in Cleveland will offer the Pfizer vaccine during the clinic's twelfth and final week. The clinic's last day of operations will be Monday, June 7.

The clinic, located at Cleveland State University's Wolstein Center at 2000 Prospect Avenue, opened in mid-March with the intention of staying open for eight weeks. Governor DeWine, the Ohio Department of Health, and the Federal Emergency Management Agency (FEMA) later decided to extend the clinic to a total of 12 weeks. In its first 10 weeks of operations, nearly 255,000 doses of COVID-19 vaccine have been administered at the clinic.

"Pfizer is the only vaccine approved for those ages 12 and up, so if you are a parent who has been thinking about bringing your child to the Wolstein Center for their vaccination, now is the time," said Governor DeWine. "This clinic has been tremendously successful, and the process to

get in and out the door here has been fast and efficient for both youth and adults." Wolstein Center Weeks 11 & 12

Those who receive their first dose of the Pfizer vaccine at the Wolstein Center before the clinic closes will be scheduled to receive their second dose at an area Discount Drug Mart location. Free transportation in Cuyahoga County is available by calling 2-1-1. Youth ages 12-17 who are not emancipated must have consent from and be accompanied by a parent or legal guardian to be vaccinated at the Wolstein Center. Parking is free.

Ohio's Mass Vaccination Clinic at the Wolstein Center is open 7 days a week. Walk-ins are welcome from 8:00 a.m. to 7:00 p.m. or vaccination appointments can be reserved at gettheshot.coronavirus.ohio.gov or by calling 833-4-ASK-ODH. There are also more than 1,200 other local area providers offering vaccines across the state.

Ohioans who have received at least one dose

of vaccine at the Wolstein Center or any other vaccination clinic are eligible to enter the Ohio Vax-a-Million drawing for a chance to win \$1

million or a four-year Ohio state college or university scholarship. Learn more about the Vax-a-Million campaign at ohioaxamillion.com

WEEKS 11 and 12*

MAY 25 - MAY 31: Pfizer

JUNE 1 - JUNE 7: Pfizer

* Second doses administered at area Discount Drug Mart locations. Free local transportation available by calling 2-1-1.

COVID-19 Updates from Cleveland City Hall Coronavirus Prevention & Response: Week in Review

COVID-19 cases, the City will continue to closely monitor COVID-19 data. If new cases, hospitalizations and/or deaths begin to rise, we will revisit the decision to reopen. We must continue to be vigilant and use the measures we know have been effective

Dear Clevelanders,

This week, I announced that the City of Cleveland will lift its Proclamation of Civil Emergency, set to expire May 31. The announcement follows the Centers for Disease Control's newest public health recommendations on masks and Governor Mike DeWine's recent announcement that most health orders will rescind June 2. All city employees are required to be onsite for work no later than Monday, June 14. City Hall is open to the public on Tuesday, July 6 with new enhanced security requirements and COVID-19 safety protocols. To view new protocols for all visitors to City buildings, click here.

Despite the ongoing decline in new

get your vaccine, wash your hands and social distance. The pandemic is not over.

Here is a summary of other major announcements from this week:

May 26: The United States Department of Housing and Urban Development (HUD) awarded a \$35 million dollar Choice Neighborhoods Implementation Grant to the Cuyahoga Metropolitan Housing Authority (CMHA) and the City of Cleveland for its Buckeye/Woodhill Transformation Plan. As part of my Neighborhood Transformation Initiative, our goal has been to transform and revitalize the Buckeye-Woodhill community in a way that prioritizes the needs, concerns and vision of its current residents. These funds will

ensure that our city, partners and residents can continue the important work of making equitable neighborhood development a reality in Cleveland neighborhoods. This grant is a testament to the hard work and dedication of residents in the Buckeye-Woodhill community, working with the support of both CMHA and Councilmember Griffin. We appreciate their collaboration throughout this process and moving forward. I thank President Biden and Secretary Fudge for entrusting Cleveland with this important award.

May 26: The tradition of the Feast of the Assumption will resume this August, with appropriate COVID-19 protocols in place. This annual tradition brings together many in Northeast Ohio as well as visitors from around the country who return each year to celebrate the Assumption. For more than 120 years, Holy Rosary Parish's Feast of the Assumption celebration has been a time for families to come together to honor and commemorate their rich cultural heritage. This year, we look forward to joining the Little Italy community and our Italian-American residents in celebration of this long-standing tradition.

May 26: The Nominating Panel of the Cleveland Metropolitan School District (CMSD) Board convened via Webex to select a slate of candidates to fill four vacancies of expired terms, on the CMSD Board. Candidates will be appoint-

ed at a later date.

Today, the City of Cleveland Division of Police is accepting applications for Police Officers, and will be holding a hiring event from 11 a.m. to 1 p.m. at Cleveland Police 5th District, 881 East 152nd St. This event will include an orientation where recruiters will discuss the application process, testing, the Personal History Statement (PHS), physical agility test and key factors for success. For more information, click here. To view the full flyer, click here.

The City of Cleveland reported 337 new coronavirus cases for May 16 - May 22, bringing the total to 32,882 coronavirus cases and 482 resident fatalities. As we move forward with plans to reopen Cleveland, I urge all eligible residents to get the vaccine to protect our community and their loved ones from the virus. Contact our COVID-19 Vaccination Call Center at (216) 664-2222 to schedule an appointment.

Thank you and stay safe,

Frank G. Jackson, Mayor City of Cleveland
