Dear friends:

We invite you to join us as the Erie Chinese Journal celebrates its 20th Anniversary celebration at Cleveland City Hall Rotunda on Friday, March 24th from 5:30pm to 8:00pm.

Many outstanding cultural performances have been arranged, with performers hailing from Philadelphia, Detroit, Columbus, and Cleveland. A formal dinner will be served while you enjoy an evening full of music and dances, including opera.

Our honored speakers will be Margaret Wong of Margaret W. Wong & Associates of Cleveland, Ohio, and Pier Lee, Library Director Emerita of Peters Township Public Library of Canonsburg, Pennsylvania. Ms. Wong and Ms. Lee will share their remarkable personal immigrant stories with us. Amazingly, both of these women have had family members who started newspapers in Hong Kong decades ago.

The theme of our celebration is "Dream of Home", which provides us a welcome avenue to connect with others in a joyful atmosphere since recent years have been difficult for many. We, the people, must seek and find ways to demonstrate our humanity, by gathering strength to pursue our dreams. By breaking bread and sharing a meal together, we aim to bring our community to-

gether, paving the road toward our dreams of building a better "home" for all of us.

We are appreciate your support. Tickets for tables of 10 seats and individual seating are available: Tables are set in sections from the stage: A-section for \$5,000; B-section for \$3,000, C-section for \$1,500, and D- section for \$1,000. Individual seat ticket is set accordingly to each section: A-section \$500/seat; B-section \$300/seat; C-section for \$150/seat, and \$100/seat.

Purchase tickets could you please call (216)324-2959.
