## 跨越時空的情緣 水遠葆存 水遠珍惜

老朋友相逢北京

兩個小時的侃談, 都是對祖國建 設和發展的關注,都是對祖國統一 的企盼。從聊天中也知道在美國的 新聞對中國的報道很少,尤其是好

的報道,所以蒲英你的工作太重要了。

劉先生還把在南開大學愛國主義報告會上的即 興詩詞《和我一般樣》背誦給我聽,"巨人沒説話擎起 雙手托水壩,巨龍沒説話 駕起神舟冲九天,我也沒説 話 何必要説話, 淚水畫成一幅畫......"字里行間, 凝聚着一個愛國華僑的中國情緣, 時時刻刻把自己 -顆心奉獻給祖國母親。他創作的奧運歌詞《心在北 京》,字字句句里抒發着對祖國母親舉辦奧運,能躋身 于世界之林的自豪與激動,情懷在中國,根在中國, 個與祖國同呼吸共命運的愛國華僑怎么不讓我爲此 動情,真的,當時我是雙眼含淚,心靈顫抖。我一定把 劉先生的歌詞創作轉到奧組爲歌曲徵集辦公室。

每當我見到從克里夫蘭來的親人心里高興極 了,半年的交往,這份情緣永遠葆存,永遠珍惜。

由於我的工作繁 忙,只有兩個小時的時間 和劉先生夫婦聊天,我們 講中國的變化,中國的環 保和資源,中國的奧運; 講臺灣的局勢,大陸的政 策; 講我們在一起的友 情,改革開放讓思想得到 解放,也讓我們同胞之間 沒有距離無話不談,感情 都是真情的流露。

visit our dear friends/artists who visited Cleveland 2003 at the Science Center and gave their hearts and soles to show us our 3000 year's of great Chinese Culture. The night we arrived, LoDi - secretary of the group and teacher Long (dough doll artist) came to our hotel and invited us for dinner, after that we went across the street visited their department store which is giant, has every thing you can imagine of from local stuffs to international products. The next day, Gia - warmth we received didn't seemed we Chop artist accompanied us to LiuLi Factory had been apart each other for almost 4 which I longed for a visit and we walked trough years. We talked about the old times,

We took the liberty to stop by Beijin to the narrow Wu Toon, John and I had such a warm feeling walking on our soil where we were born. leader of the group, who is such a warm person, we kept in touch for all these time, she contacted all the artists that morning, at night they all came, except a few live in the other part of the country, all came to the welcoming party for John and me, it was such a joy seeing them again, the friendship and

laughter and joy fill the evening. Next day took us to visit their Science Center Museum, it's very big and so much to see, so proud to see their first Space ship which is at the center of the building then we visited their future site which

is right at the Olympic site, the lead construction manager leaded us to see this new building which is their hearts in 2003. even much bigger then their old site. next day the calligra pher, Lee took us to the airport with his lovely wife and daughter, each step he make sure we were okay, all the way to the gate and waved a long good bye to us. The two day visit was brief but the warmth we received will linger with for a long 朋友,雖然旅居國外,但你們的根在中國,你

少小離家老大回,鄉音容顏都已改,只有一顆中國心不會改 也不能改。北京,我回來了,人生自古傷離別,這一別就是五十個年 頭,當飛機着落北京機場,那一霎那我流淚了,是一位多年失散在 外的游子重新投向母親的懷里,那種淚中帶笑,笑中帶淚的感受

不去故宮不知中國歷代的輝煌;不登長城不知古今的蒼傷 不游頤和園不知中國園藝的華美;不看中國科技館不知中國當下 科技的驚人成就。不與百姓們接觸不知有個共同的心聲就是中 國愈來愈好,愈來愈強,而奧運更是海內外驕傲的期待,使我不禁 想到一個對比,在海外是昨夜又西風,愈吹愈冷,如嚴霜結冰,在國 内是昨夜又東風,愈吹愈暖,如春暖花開。如不身歷其境,不知國內 同胞的樸實、親切溫馨、熱忱,更不知神州山河勝依舊。

臨別依依, 太太在飛機即將起 飛時不願拉下窗口,她説"要再看北 京一眼",而我的行李中也裝滿了北 京的栗子和燒餅,那也許是我平生中 吃過的最好的美食。

歸國猶帶十分愁 人民北京留一笑 此去彼岸頻回首 神州山河勝依舊

紙短情長,意猶未盡,不能 寫下心中太多的感嘅和期待,只知道, 北京,我走了,我將再來。

海外飄零多少秋, 又是多少年, 風雨中。魂縈夢牽是故園,這個夢實 現了,只是太匆匆。
